Saros Homes Education Center

Saros Education Center

BROCHURE

WELCOME

Saros Home Education Center (SHE CENTER) is a private blended learning center, located in a safe serene gated community in Games Village estate, Abuja, Nigeria. Our grade levels are form Level 1- 12. Our Center is designed and furnished as a home to radiate and encourage relaxed comfortable creativity. It is a warm creative place with a demanding academic and progressive approach to learning.

Who We Are

SHE Center is operated by a team of educational professionals

What We Do

We provide Educational Consultancy Services to Home schooling Families In Nigeria. We ensure that our students have access to quality educational experiences and content.

How We Do It

We Provide Access to Our

- Well equipped Educational Facility
- E-Learning Platform
- Community Service Placement programs
- Standardized Test Preps.
- Personalized Tutoring
- Advance Placement Courses

Learning

We are student-centered, our emphasis is on learning rather than teaching.

We have coaches in place of teachers. Students use online research, their recommended textbooks, interactive software and hands-on community service projects to learn lessons. Our students have individualized, customized learning tracks that correspond with their individual learning styles. They are also encouraged and allowed to learn at their own pace.

Our Mission

We are an Educational organization operated by Educational professionals committed to meet the needs of our students by providing them with support and access to quality educational experiences and content ensuring a successful transition to higher education.

Enrolment and Admission

As a blended learning center, our students are self-taught and have coaches who serve as guides and mentors as they advance in their academic pursuit. We adopt computer-based learning models and we fully utilize recognized online learning platforms, as a result, the ideal SHE Center Student is an Independent Learner. Our admission procedures are open to students who can read and comfortably interact with computers and other education-based technological devices.

Elementary Level Enrolment

Children from the ages of 7(seven) and above can apply to become students of SHE Center, please note that students must go through our learning to read/ independent learner programs depending on their level to be considered for admission.

Middle School Enrolment

Children in Level 5 or its equivalent and above can apply to become students of SHE Center, please note that students must go through our independent learner programs depending on their level to be considered for admission and would be required to take the recommended ACE Diagnostics Test.

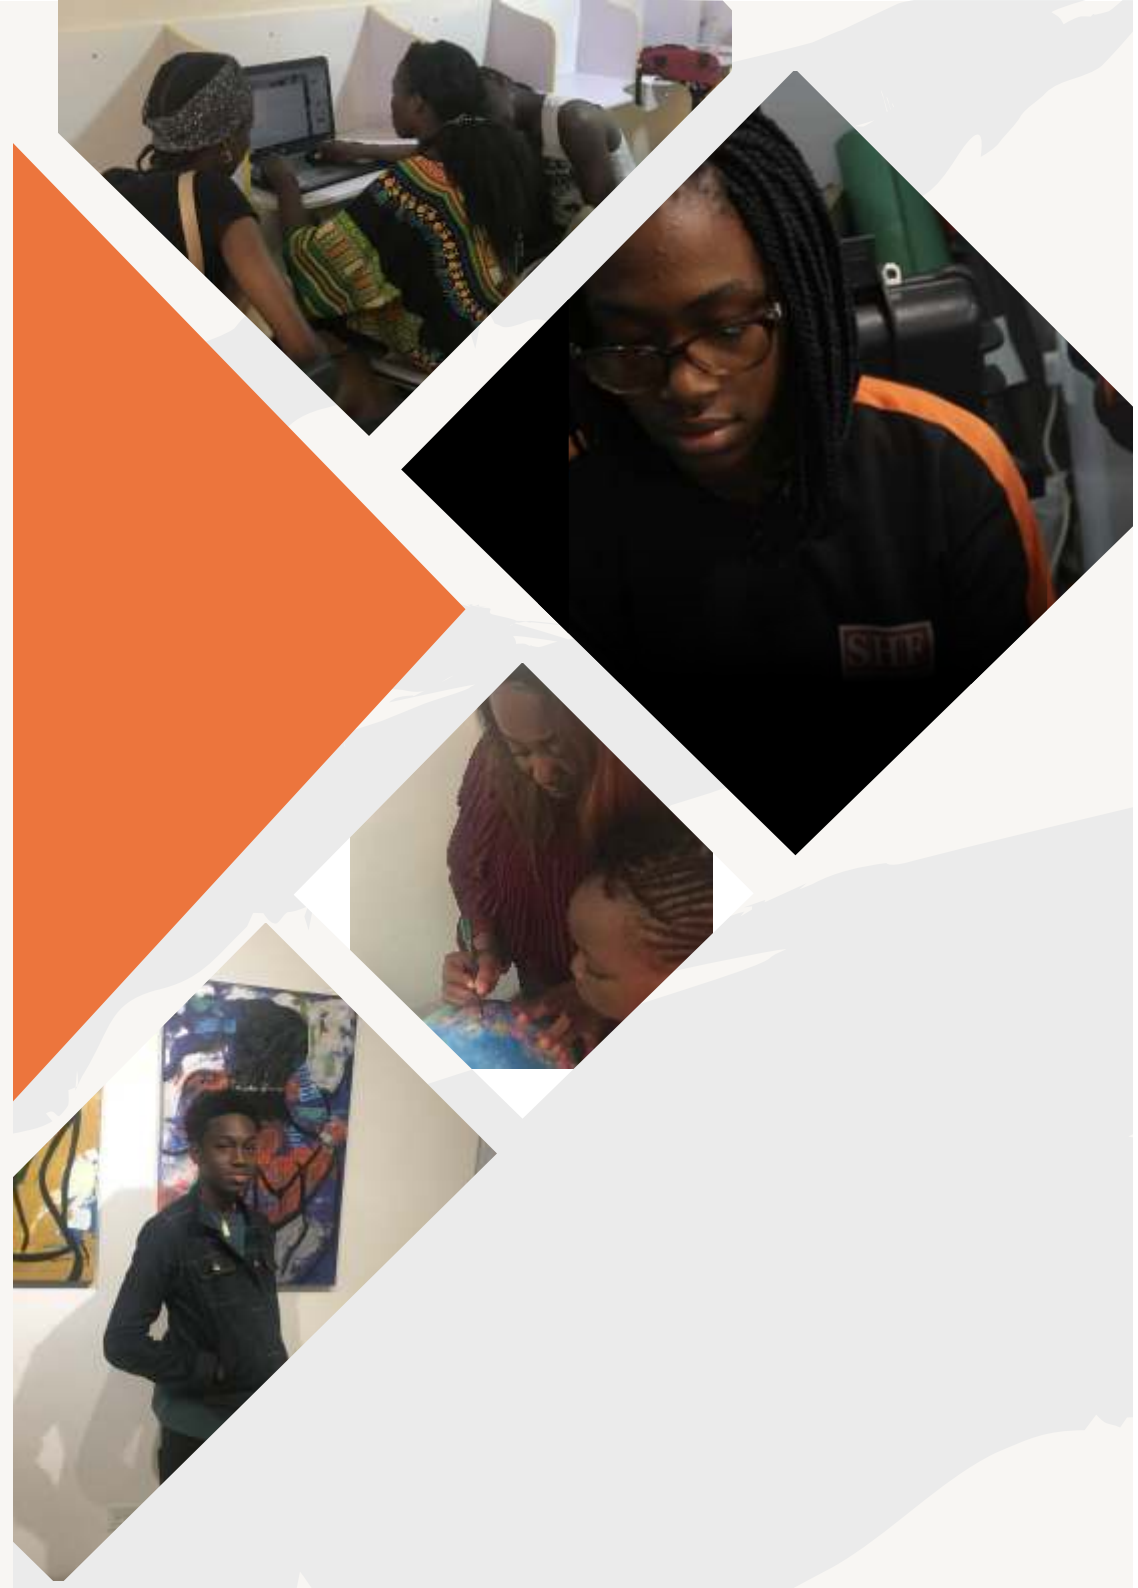

Please note that our admission procedures take an average of three weeks, hence we advise parents to begin students enrolment early enough.

The Enrolment Process

Step 1: Inquiry Phase

We are glad that you have shown interest in our center, we will do our best to answer all your questions and explain in detail every aspect of a student's academic journey at SHE Center.

Please feel free to reach us on Tel: +2348112490144 and via email : she.center@sarospg.com

Step 2: Pre-Enrolment Orientation

Knowledge is power and because we understand the uniqueness of our learning models at SHE Center, we make it our responsibility to provide all the necessary information regarding the inner working of our operations and our policies.

Step 3: Diagnostic Testing and Recommended Programs

Please read below for more details on our assessment tools and modalities.

At the stage, the student would be evaluated to determine his or her readiness to join SHE Center .

Step 4: Offer of Provisional Admission

Students who successfully scale through STEP 3 will be offered provisional admission that can be forfeited if all conditions are not followed to the letter.

Step 5: Parent and Student Training

Every parent at SHE Center goes through our mandatory ACE-Parents Training. This is a one-day training that takes you through our center's operational system and equips you to understand our Curriculum and schooling systems.

Step 6: Welcome to SHE Center

Once students and parents successfully go through the five enrolment stages and all fees have been fully paid for, your child will be formally enrolled into SHE Center and is now ready to fly the SHE Center Flag.

In-take assessments

Diagnostic Testing

Conventional school systems fail when they force a struggling student to repeat an entire grade or advance a student without having grasped course concepts. Some of these students graduate from high school without basic grammar, math, or other academic skills.

At SHE Center we negate the need to repeat a grade or advance to more difficult material without mastering a subject. Through our Diagnostic Test, students are tested based on what they have learned. Learning gaps—subject concepts that the student may have missed—are documented after the student takes the test. When weak areas are evident from the testing, the appropriate gap PACEs (Packets of Accelerated Christian Education) are prescribed to strengthen specific weaknesses. After completing the gap PACEs, the student progresses at his performance level. If he demonstrates mastery at all levels of testing, he has the ability to function at his chronological grade level.

The four academic areas tested include:

- Math (Levels 1–9)
- English (Levels 1–8)
- Reading comprehension for science, social studies, Bible Reading, and
- Literature and Creative Writing (Levels 1–8)
- Spelling (Levels 2–9)
